

22 August 2010

To: All Members WV V, Volunteers, and Supporters

Ref: Bike Night

Hello,

On behalf of WV V, WV V officers and myself I would like to take this opportunity to thank those of you who helped plan, helped at the rally point, helped downtown, helped sell, move, carry, take in money, cleanup, plan route, etc.:

Job Well Done!

This was the best Bike Night ever!!!!

While it might be some time before we have paid all the bills, and accounted for everything, VP Gary tells me we have surpassed last years goals by several thousand dollars.

The eleven members who obtained sponsors made this possible. This was made possible by those members who got food, drink and other supplies donated for the hospitality room where we fed 80 plus members and LEO s for \$ 35.00 dollars.

I am so proud of what WV V has accomplished in just seven months. We need one more member to have 70 members. We are the largest and best chapter in WV and are becoming well known in the Mason Dixon Conference.

As I dropped Erik at Dulles today he asked me to thank all of you for your hospitality and inviting him to be a part of WV V and Bike Night.

We will publish a final report when complete but I want you to know how much I appreciate you, our club and where we came from to whom we are now.

Respectfully yours,

KC
